## CARRIER IDENTIFICATION

|                    |                                                   |
|--------------------|---------------------------------------------------|
| USDOT Number       | 264184                                            |
| MC Number          | MC-133655                                         |
| Legal Name         | SCHNEIDER NATIONAL CARRIERS INC                   |
| Physical Address   | 3101 SOUTH PACKERLAND DRIVE, GREEN BAY, WI, 54313 |
| Phone              | Not on file with FMCSA                            |
| USDOT Status       | ACTIVE                                            |
| Authority Status   | Active for-hire (interstate)                      |
| Operation Type     | Interstate                                        |
| Power Units        | 9866                                              |
| Drivers            | 11335                                             |
| Safety Rating      | Satisfactory                                      |
| MCS-150 Status     | Up to date                                        |
| Inspections (24mo) | 24,123                                            |
| Crashes (24mo)     | 702 total (9 fatal, 232 injury, 461 tow)          |

## VETTING FACTORS

*Each factor below was evaluated as part of documented carrier-selection diligence using current FMCSA records.*

**Federal Safety Rating**  
Satisfactory safety rating

Highest possible FMCSA rating (rated 2003-02-20).

PASS

**Operating Authority**

PASS

**Active for-hire operating authority**

Active for-hire (interstate)

**Inspection History**

PASS

24123 inspections in 24 months

Healthy roadside inspection volume - this carrier has been thoroughly examined by enforcement.

**Insurance**

PASS

Liability coverage on file: \$1,000,000

FMCSA shows \$1,000,000 of liability coverage on file, meeting the required minimum of \$1,000,000. The 'on file' amount reflects FMCSA's most recent filing - always confirm the policy is currently in force directly with the carrier's broker.

**METHODOLOGY & ATTESTATION**

Data source: U.S. Department of Transportation, Federal Motor Carrier Safety Administration (FMCSA). Source endpoint: QCMobile API, <https://mobile.fmcsa.dot.gov/qc/services/>. Data was retrieved live at the time stamp shown above and stored unmodified for future reference.

Decision rules: BrokerDefender's carrier-vetting engine flags carriers as RED, YELLOW, or GREEN based on FMCSA Safety Measurement System indicators and operational risk factors consistent with the 'reasonable care' standard articulated in *Montgomery v. Caribe Transport II, LLC* (U.S. May 14, 2026). This record reflects the carrier's status at the time of generation. BrokerDefender does not provide legal advice; the broker remains responsible for the ultimate booking decision.

*This record is timestamped 2026-08-23 03:41:56 UTC. A SHA-256 hash of this PDF is stored in BrokerDefender's database for tamper-evident verification (vetting ID: c3923ec8-0bd6-43c2-8aa5-155fa66540f6).*
